

CINDY L. GROSSMAN

Cindy Grossman's practice encompasses a wide variety of corporate and partnership transactions with federal and state tax implications, including stock and asset acquisitions and sales, partnership freeze transactions, planning, structuring, and implementation of mergers, real estate transactions, and other recurring and non-recurring business transactions. Ms. Grossman has a breadth of experience in corporate and partnership formation and operation, entity conversion, business planning, business succession planning, and asset protection planning. In addition to her experience with entities, Ms. Grossman has represented clients in federal and state tax controversies.
